

BAY VIEW

HIGH SCHOOL MILWAUKEE

To a Skunk, good luck, hope you have
bad luck all through school.

So a kid who
always kept getting B's
and C's in history until
he got the knowledge from
me by talking to me about
history. now he finally got
a good tick - in being
a spot (crew) and in the future
Church Jergies

Have
Love
Suck
Have a good
summer.
Michael
Schneider
Love,
your, the most
shot, turned did know
(Did you know know?) seriously you're
nice kid!) God Bless you
O.K. Linda Cochran

Tony does it
 What diff if we black mail
 make it our pictures
 Lin with our pictures
 so lets get to work O.K.
 Lil Matwisch
 you are a real good spot
 you got to keep up the good
 I wish you a little addit
 sharp
 messman.
 Gary
 kid
 yaki

To a real sharp
 kid in homeroom
 name Jim and take
 it easy with the girls.
 Diane
 To a smarty in
 homeroom (I mean
 smart in classes)
 bad se vine
 To you because
 the spam is pretty hard
 good such anyway
 Mary Ann
 Snas

Thomas Goyette
Homeroom 419

To a smarty in
 homeroom (I mean
 smart in classes)
 To bad se vine
 exempt you because
 the spam is pretty hard
 good luck anyway
 Mary Ann
 Snas

For Tom
 I Real Cool Kid
 who Always is near
 to me. Even though
 you are a home classroom
 we sat by Fred & Joe.

When a film breaks,
 for goodness sakes!
 Call me!!
 Ray Williamson.

Save this signature
 it will be worth a
 fortune someday,
 Eric Remelt

To Louise,
 Holy cow are you in,
 "B" in homeroom.
 oh well
 Good luck anyway
 Joan

To a swell kid
 I know.

To Tom,
 So a real
 swell kid in
 my homeroom and
 dance class. You are a very
 good record dancer as
 stay as good always be as much
 you are and always be as much
 few. See you in September.
 Best of luck always
 Julie Gray

To a boy who has
 a real good future.
 Have a blast this summer!

Hint, Fred

To Tom, who sat behind
 me in Dec. & helped him off
 the class. Best of luck next
 year and have a real blast this
 summer.
 Mary Murphy

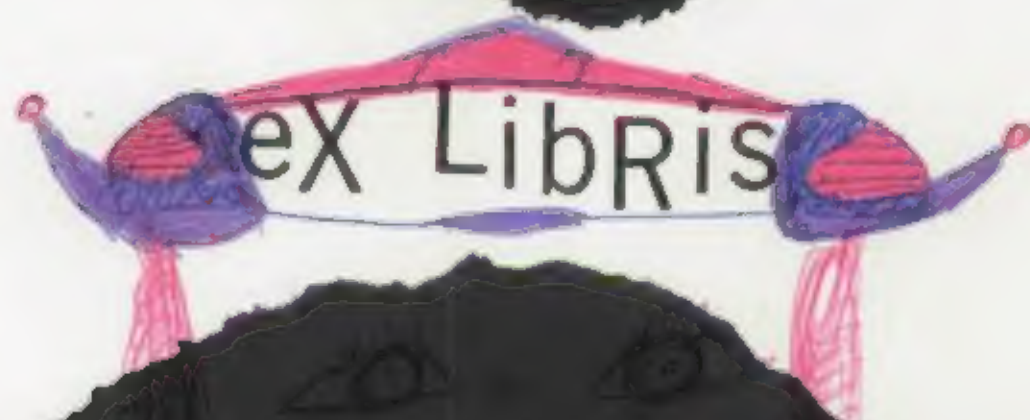

To a real nice
 kid in homeroom
 good luck.
 I love you
 Roseanna

Hi Tom or should I say goodbye
that fits better. I the X-photographer
that doesn't know one end of the camera
from the other. Who is a bigger spot
than the spotlight he runs, and
the person who goof up my book.
(Mr. Johnson)
P.S. Better luck next year.

2/0 Goyette & THE SCRUB

HAVE FUN (?) THIS
SUMMER, AND NO
KISSING ANY MORE
TRAINS!!

A ADMINISTRATION

MR. ARTHUR L. SHOWERS, Principal

ADMINISTRATION . . .

MR. ARTHUR L. SHOWERS, Principal

Constantly at work and showing concern for the welfare of Bay View High School is its principal, Arthur L. Showers. His presence at football games, swim meets, operettas, dances, and many other school functions has added much to the school and its spirit. Giving praise, not only to the winning team and coaches, but also to the student body who cheered the team to victory, is something he never fails to do. Because of his continuous interest in the school, and his close contact with the students themselves, he has gained the respect and admiration of everyone attending Bay View.

Respected Authority

MR. WILEY, Assistant to the Principal

Assisting the principal in administering the instructional program of the school is Mr. Wiley. With the help of the grade counselors, he prepares the school's program of studies each semester. Orientating day-to-day substitute teachers, programming and supervising cadet teachers from local teacher institutions, and performing a multitude of miscellaneous duties are other responsibilities which he fulfills.

Mr. Williams, our vice-principal, organizes the extra curricular program and enforces the discipline — both major responsibilities in so large and complex an organization as Bay View High School. He has, through his firm yet friendly manner, maintained for Bay View the reputation of having one of the highest high school attendance records in the city.

MR. WILLIAMS, Vice-Principal

In Memoriam

MISS HELEN STEEL

Helen Steel will long be remembered for her willingness to assume responsibility, as witness her work with the Victory Corps during the war years; her organization of student government for Bay View and a student council for the entire city; her planning of a history curriculum challenging to all students, with the noteworthy creativity of a Contemporary History seminar for the gifted; and her tireless efforts in the counseling services of the school.

Yes, indeed, from freshman days at Bay View to her death when she was rated as one of Bay View's dedicated teachers, Helen Steel was a leader — a leader with willing shoulders, an alert mind, and a good heart.

COUNSELORS . . . *Student Guidance*

MISS STATZ, *Dean of Girls*

The guidance staff devotes countless hours every year to the development of the student. Working directly with the student, Miss Statz and the grade group counselor help him to adjust both academically and socially. This begins before he enters Bay View and often continues beyond his graduation.

In addition, through testing, individual vocational guidance and proper programming, the counselor guides the student as he plans his future.

Student Government Association . . .

STUDENT BOARD SEMESTER ONE

*Standing: Thomas Radoszewski, Junior Representative; Thomas Sapinski, Chairman
Joseph Wilson, Senior Representative*

*Seated: Barbara Finley, Delegate-at Large; Barbara Hebert, Freshman Representative
Myra Hoffman, Delegate-at Large; Mary Constant, Sophomore Representative*

Keeping in mind the purpose of giving students the responsibilities for leadership, Bay View's Student Government Association has taken definite steps forward. All Viewites, through their homeroom representatives and through active participation including assembly meetings, were given the opportunity to participate in the functions of self-government, developing a sense of responsibility to guide them in later years.

The Student Government Association at Bay View consists of the Assembly, the Student Board, and the Student Court. It is through these three divisions that the organization functions. Their work is done through Standing Committees, such as Central Study Hall, 9B Instruction, Public Relations, Auto Registration, Building Control, and Honor. When a new or different issue arises during the year, special committees are formed.

ASSEMBLY OFFICERS

An Exercise in Leadership

The aim of the Public Relations Committee is that of furthering the relationship between Student Government Association, the students, and the faculty. Among the accomplishments of this committee were publishing news of work being done in Student Government Association, and representing various committees in the showcase across from the auditorium.

Dance Committee saw to it that our social activities were not neglected, as shown by Red Cat Roar, Mistletoe Mischief, Mardi Gras, and the spring Prom.

At Christmas time the students and faculty of Bay View displayed their wonderful spirit, as once again gifts were sent to the Waukesha Boys' Home and Oregon State Girls' Home.

By having the homeroom representatives sell shares for the foreign exchange student our school will have next fall, Student Government Association was able to show its working capacity.

Through good leadership as well as good fellowship, our goals were obtained.

The Foreign Language Club gives students an opportunity to become more familiar with foreign countries and better appreciate their peoples.

The club is divided into four sections, one for each of the languages taught at Bay View. The sectional meetings are devoted to studying the individual countries and customs. The general meetings help to co-ordinate the club's activities.

December marked the enjoyment of the annual banquet, held in the cafeteria. The speakers were two foreign exchange students: one from Argentina, and one from Holland. They presented interesting speeches describing their homelands and their experiences.

The Foreign Language Club played a big part in bringing an exchange student to Bay View. Each section of the club was given "Shares in International Friendship" to sell to members of the community.

A songfest was held at a general meeting of the club in April. Each section presented several songs sung in its language. The Latin students appeared draped in togas, and a German student portrayed the "Happy Wanderer" as the German section sung.

FOREIGN LANGUAGE CLUB . . .

OFFICERS SEMESTER TWO

Dennis La Breche, Sergeant at Arms, Edith Mays, Vice President, Dianne Miller, Sergeant at Arms, Maureen Swanson, Sergeant at Arms, Mary Stollenwerk, Secretary, Gail Peterson, S G A Representative, Cathy Evans, Treasurer, Susan Hennings, President, James Mac Kay, Sergeant at Arms

SCHOLARSHIP

Ronald Passel

At the end of the year the outstanding foreign language student who has eight semesters of one language is awarded a \$100 scholarship by the club providing he continues with a foreign language in college. The two top eighth semester students of each language receive pins in recognition of their work.

Foreign Language Club provides an opportunity for its members to better understand other cultures and become more appreciative of differences between people.

Laughs, Surprises, Fashions

"What a lot of fun!" These words were spoken by many members of Girls' Club during the past year. The Girls' Club officers found the girls excited and occupied with many interests and challenging ideas. Girls' Club helped fulfill their needs.

The girls traveled through the lands of fantasy, adventure, and tomorrow in the spectacular Disneyland film. "Kons for Kids," the theme of the annual food drive, added new zest and vigor to the campaign and made it more than a success.

Then came the Christmas program filled with joyous carols, a skit, "The Christmas Child," and a surprise visit from Santa. All left with renewed spirit.

An abbreviated style show with apparel from the "roaring twenties" included Charleston flappers draped with strings of pearls, determined suffragettes, and an array of stunning bathing beauties. This presentation was highlighted by a collection of outdated tunes and impressive pastel-colored formals.

OFFICERS SEMESTER ONE

LIBRARY GUILD . . .

PIN WINNER

Diane Mirewsk

The Library Guild is a service organization of the school. Its main purpose is to assist in promoting the maximum use of the library by students and teachers. It also provides an opportunity for students interested in library work as a career to learn about library procedures and books.

Early in the fall several library monitors attended an all-day workshop at Milwaukee Downer College. In November four members accompanied by Miss L. Cernahan attended a library institute for student librarians at the Oshkosh State Teachers College. This institute has become a yearly affair and draws students from a radius of 200 miles of Oshkosh. The club entertained the teachers of the English department at a tea during Book Week. A display of new and interesting books, especially for the department, was arranged for these guests.

SCIENCE CLUB . . . Preparation

OFFICERS SEMESTER ONE

Richard Knitter, Rod and Gun; Gregory Markowski, General Science; James Williamson, Radio Hams; Linda Barzick, Biology; Robert Wandtke, Physics; John Heling, Photography; Gunnar Voitz, Chemistry

Reaching all the grade levels at Bay View, Science Club gives the students a chance to pursue, on their own, enriching projects and experiments more deeply than they would normally be able to do during class periods.

The Science Club at Bay View High School is divided into seven sections — General Science, Biology, Chemistry, Physics, Rod and Gun, Photography, and Radio Hams. Each section has its own officers and faculty advisor.

Meeting every second week, the sections work on group projects that are of interest to its members and plan outside activities. Some of the more beneficial of these projects and experiments include a trip to the Museum of Natural History in Chicago by the Science Club, a tour through the Marquette Medical School by the Biology Club, the taking of pictures by Photography Club at several of

ROD AND GUN

GENERAL SCIENCE

Robert Drowzewski, David Olson, Charles Iwen

for Invention Tomorrow

our dances, experiments in distilling water and the making of soap conducted by Chemistry Club and acquiring Radio Ham licenses by the Radio Ham Club.

The Science Club not only provides the students with challenging activities, a chance to meet others with similar interests, and an opportunity to work with scientific equipment, but also gives them a much fuller understanding of the ways of life. All of these point to the goal of the Science Clubs — to help develop the minds of the future.

The Art Club is one of Bay View's many service groups. Its projects vary from creating and designing posters for numerous school occasions to helping with bulletin boards and displays. Keeping the new directory on the first floor filled with news of the latest Bay View activities and creating, painting, and assisting with the stage scenery used for the operettas and class plays are other undertakings.

The meetings are held after school on the second and fourth Thursdays. Usually a short, informal meeting is held after which work and activities for the school is done.

Several times a semester the Art Club is taught various skills from our accomplished art teachers in order that we might use them to serve our school in a more artistic fashion.

Art Club welcomes any students who are interested in any type of art work. Students do not have to be enrolled in an art class to join the Art Club.

X CLUB . . .

PROGRAM COMMITTEE

Susan Airold, Penny Peyer, Jo Ann Barlow, Janice Bureau, Sharon Peters, Sherry Smith, Gail Ankerson, Karen Springborn, JoyLynn Heinan, Marcia Smith, Jane Schuster, Gile Tojek

X Club strives to further and encourage high scholastic achievement through its many and varied activities. These range from Plaque Committee, which checks the grades at the end of each mark period and awards Honor Plaques to the deserving homerooms, to Scholarship Committee which obtains information about available scholarships and reports to the club as to the possibilities of obtaining them. Other activities include Program Committee, which plans each meeting's entertainment and Field Trip Committee, which is responsible for organizing the annual field trip. Through these activities, members acquire leadership and responsibility.

In order to become a member of X Club, a student must have no mark below a "B" and at least one "A." In joining, the new member recites the X Club pledge: "I promise to try to remain worthy of membership in this honor society and to do all in my power to further its purpose."

OFFICERS SEMESTER TWO

Janet Astell, Scribe, Helga Trifunovich, Vice President, Judith Layman, Treasurer, Larry Allen, President, Ruth Klatt, Recorder, Mary Sadenquist, SGA Representative

A Symbol of Scholastic Achievement

Although X Club strives for high educational values, it does not lack recreational activities. At every meeting, planned entertainment is presented. For instance, this year there were several programs which were take-offs on television panel shows such as "To Tell The Truth" and "Password." Sometimes speakers who have graduated from Bay View come back to talk on college life.

X Club also takes an annual field trip to some place of historical, educational, or cultural value. This year the club selected the Museum of Science and Industry in Chicago.

Through participation in all these activities, members of X Club strive to fulfill their educational and intellectual curiosity and encourage others to do likewise.

FUTURE TEACHERS OF AMERICA

Future Teachers of America is a great help to the students and teachers around Bay View.

The club's two fold purpose is to interest students in a teaching career and to help them obtain any information needed which deals with their particular field of teaching.

F.T.A. members receive first hand experience by tutoring students and doing clerical work. In addition, advanced members have actual practice in classroom teaching. Field trips, movies, and speakers enhance interest in the profession.

After working a total of 40 hours, consisting of 25 hours of clerical work, 10 hours of tutoring, and 5 hours of classroom teaching, the future teachers are awarded with a small red apple pin.

During American Education Week F.T.A. decorated the display case across from the office, exhibiting books, ornaments, and other material used in teaching. Movies were shown during the noon hour which clearly showed A.E.W.'s main purpose, giving everyone a clearer picture of teaching.

HISTORY CLUB . . . For a Better Future

This year, as in the past, the United States History club has inscribed its members with a greater knowledge of America and its influence in the world.

As their first project, the members sold over 150 Wisconsin State Historical Society Calendars.

After this project, the History Club chose to do an intensive study of Communism. Through individual research, panel discussions, debates and reports, the students obtained a better idea of the meaning of Communism, its influence on the world, its goals and its principles. This study also helped them to better understand the position of our own country — its economic system and its growth.

"GRIDDERS" Win; Lose

The Bay View gridders made a fine showing during the 1961 football season. After losing the first three games, the team showed a lot of talent and drive sweeping the next five games. The 5-3 record does not show the games played on muddy fields, driving rain, and outstanding performances by individual players.

The 1961 season began on a sour note as Tech's Trojans defeated Bay View, 20-0. This game was played in a continuous drizzle which made the field slippery for the speedy Redcat backs. The next two games were heartbreakers for the 'Cats as Rufus King and Pulaski squeezed by with 7-6 victories. In the game against the Generals, Jim Comp kicked a field goal in the last seconds of the game, but the score was called back because of a penalty.

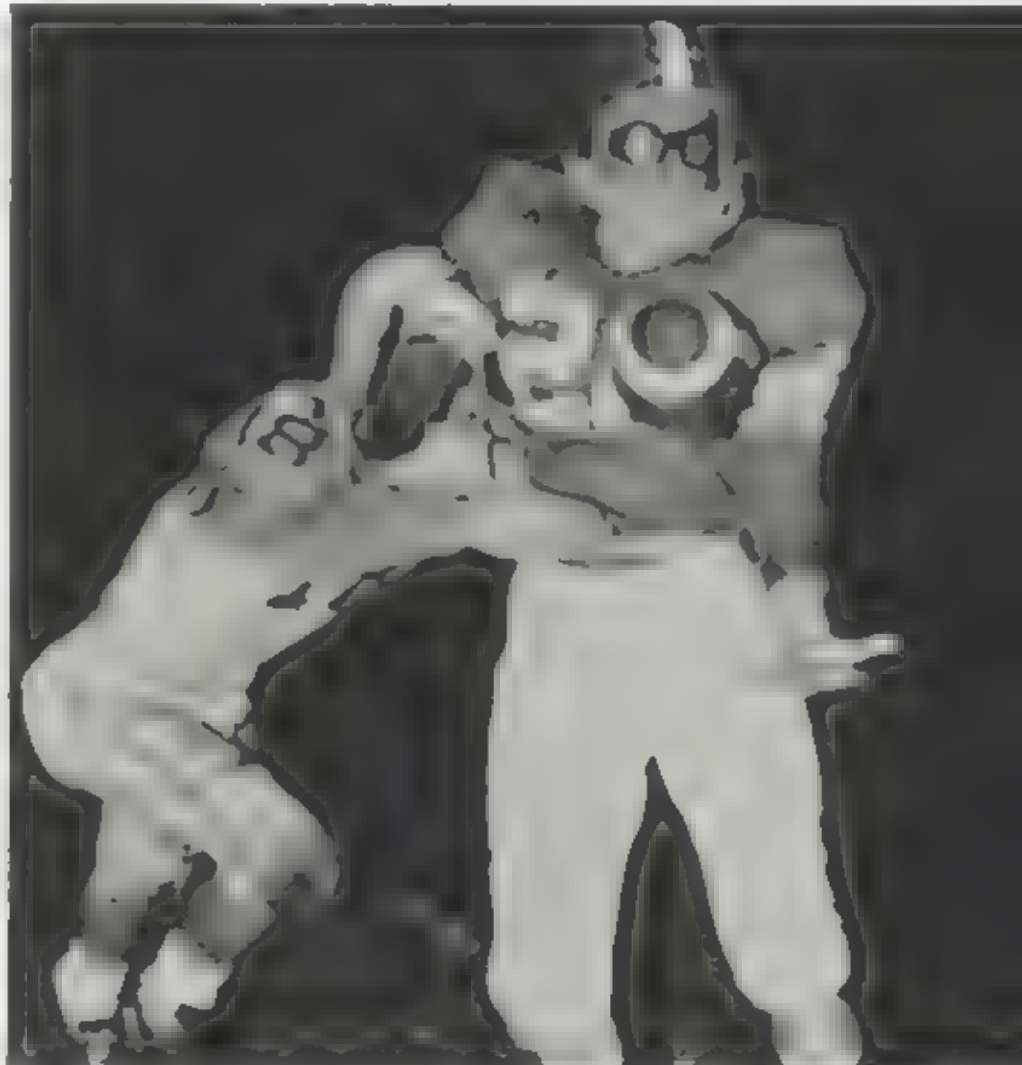

The week of the Homecoming Game the squad's spirit was soaring as the whole school was cheering them on toward a victory over South Division. The Redcats roared out on the field and "pushed" the Cards around while mounting a 20-0 halftime lead. The scoring punch was provided by Homecoming King James Comp who scampered 56 yards for a touchdown and later caught Fred Ramlow's 35 yard aerial in the end zone. South scored in the second half to make the score 20-6, but the damage was done as Bay View won its Homecoming Game in a grand style.

Following the victory over South — in a game with a young North team — Bay View had no trouble winning, 40-6. Douglas Greenmeier sparked the team with two touchdowns. Bay View faced a stiff test in a game against Lincoln, one of the area's top teams, on October 28. The Redcats came out with flying colors as they soundly spanked the Comets, 26-0. The boys passed and ran surprisingly well on the muddy field. It was a great team effort as both the line and backfield functioned smoothly. In the last two games Bay View fattened its record as they had little opposition from West and Juneau. 20-0 was the score of the game against the Redmen, and the same fate was met by the Juneau Pioneers as they succumbed to Bay View's power, 28-6. Jim Comp closed out his career with two touchdowns, an output matched by Doug Greenmeier.

Thanks to the fine season, four Redcat gridders were All-City selections. Harry Peterson led the list of choices placing on both the Sentinel's and Journal's All-City second teams. Pat Lowey, Jack Feldmeyer, and Jim Comp made the Sentinel's second team.

With a mixture of newcomers and veterans, Bay View's cross-country team enjoyed another fine season. A 23-38 victory over Boys Tech opened the 1960 season. The next two meets found easy going for the Redcats as they rolled over Lincoln 15-55 and Juneau 15-54. The next dual meet was a three team affair against South and Pulaski. The meet was highlighted by Tom Schroeder's victory over the state champion from Pulaski, Stan Gaffin. Bay View won the meet with 23 points, to South's 50 and Pulaski's 58 points.

After their perfect dual meet season, the Cats faced stiffer opposition in the Midwest Championship Meet in Janesville. The team took second place for the fourth straight year out of 19 schools from Illinois and Wisconsin. Bay View was defeated by a fabulous team from Palatine, Illinois. The race was bitterly fought between Gene Meyer of Palatine, the individual winner, and Redcat Tom Schroeder, the runnerup. Both boys broke the course records by eleven seconds.

The next meet was the City Championships at Washington Park. The meet was marked by numerous upsets as Bay View slipped to a fourth place finish.

The Harriers hit their peak form in the State Sectionals. They trounced all the opposition scoring only 43 points in the 8-team race. Tom Schroeder led the team with a first place finish. Bay View placed all of its seven runners in the top 21 finishers. This victory qualified the Redcats to compete in the State Meet held at Hartford. Bay View failed to retain its third successive State title placing third in a 9-team field.

The outlook for the 1962 season is bright since Coach Matthei will have six lettermen returning.

Third Row Kielpinski, J. Comp, Ramlow, Warras, Wrablewski

The 1961-62 Basketball team had the best record in the history of Bay View's cage sport. Coach Hans Nader's squad compiled an 11-5 conference mark and 15-6 overall record for the season. The season was marked by a couple of ups and downs, but when they had to, the Redcats looked like champions.

The season started on November 22, when Bay View trounced a hapless Cudahy team by an 88-47 score. Then the team proceeded to take four games away from City Conference foes Tech, South, Juneau, and Pulaski. The next game was a big one for the Redcats as they battled highly touted Lincoln. When the smoke cleared after a hotly contested game, the Redcats came out on the short end of an 81-88 score. The rest of the first semester saw Bay View take 3 out of 5 games. The team suffered greatly when they lost All City pick Jim Warras, Jim Comp, and Fred Ramlow through mid-year graduation.

Bay View kept rolling along with a somewhat revamped lineup. Three games were won against conference foes until Pulaski snapped the win streak. A win over South followed as the Redcats were getting ready for a rematch with Lincoln. The boys played their hearts out against the mighty Comets, and only a last quarter rally put Lincoln on top. Thus Bay View wound up in fourth place in the final standings.

The tournament action was started with an 81-59 spanking of Tech. The next night Bay View edged out Puask 84-79. With those two victories the Redcats earned the right to the finals of the regional tournament against West Allis Central. But this was the end of the road for the Redcats as the Bulldogs took an 85-59 decision.

A good season always has its stars, and this year was no exception. Jack Anderson and Jim Warras teamed up for an effort which placed Bay View high in the standings. These two aces graduated with Warras scoring over 1,000 points and Anderson over 900 points. Anderson's fine work earned him a berth on the 1962 All-City team. Other graduating seniors are Ken Becker, Syl Kielpinski and Nick Kostich.

FEMININE Touch

As a new school year appeared in September, so did a new year of many G.A.A. activities. Miss Schuetz and Miss Fleming along with a new physical education teacher, Mrs. Buckstead, reorganized many familiar G.A.A. activities. Among them were tumbling, apparatus, volleyball, archery, modern dance, bowling, and basketball.

"Blues in Rhythm" was the name of the annual Nereids' show. It was centered around the progression of music from the 1900's.

Soon the second semester peeked around the corner, and the G.A.A. spotlight was focused on the cheerleading tryouts. Many girls tried out, but the dream of becoming a cheerleader came true to only a few.

As the weather became warmer, the spring sports of volleyball, badminton and tennis sprang into action.

Once again the school year came to a close, and once again the council made arrangements for the annual G.A.A. banquet. Its purpose is to award outstanding girls for their many efforts and accomplishments.

March from "Athalie" — Mendelssohn-Isaac Bay View High School Orchestra	

Class Notes

As we leave Bay View, is our school the same as when we entered? Let's look back on our four years to see

The first change we noticed was the one-way stairs which reduced the confusion on our crowded stair wells

Upon returning another fall, we were amazed to discover that the ceilings in the study halls had been lowered and Bay View had acquired many new rooms. In one of these new study halls we were shocked to find television sets, but saddened when we realized that they were to be used for teaching purposes only.

Shortly after this, the Bay View stage acquired a new look. Because of an accidental fire, many of the school functions had to be moved to Pulaski.

As graduation approached we became aware of the serious step we were about to take. Now we realize there could be fun in tradition. Our first experience with tradition was celebrating "Heel and Tie Day." Part of the fun was watching the girls limp about surreptitiously removing their shoes at each opportunity, also the fun of falling down the stairs in their high heels. Then we watched the boys winking around as if they had stiff necks, afraid to turn their heads or their starched collars would cut their necks and their ties would choke them. After the day's ceremonies were concluded, many of us celebrated by going out to dinner and to various parties.

January 16, 1962, was one of the highlights of the New Year. "Cap and Gown Day" and the Dinner Dance both fell on the same day. However, January 24 will be the day we will always remember.

Four years of fun and study — that is what it was for us. The studying came first, but there was always time for fun.

As we sat in the auditorium listening to the commencement speakers saying farewell, we were saddened by the realization that after being such a close friendly class for four years we would now have to separate.

Class Notes

For four years we have been a part of Bay View High School and all the wonderful activities it has offered us. Now we are the graduates of the class of '62, and we will be leaving behind the activities, fun, and happiness, but not our memories. We will always have the memories of Bay View High School to enjoy.

"Fire! Fire at Bay View!" Yes, this is a cry we can long remember for when we were Freshmen our stage burned. We held our Music Festival at Pulaski but it sure had all of the Bay View spirit. Then came the operetta on our new Bay View stage. Oklahoma was another hit. This year was one of bewilderment and being lost students for we were first learning the ways of a Bay View High School student.

Our Sophomore year was one in which we began to feel as if we belonged. Some of us became active in clubs. Also, we had our first chance to become acquainted with the special classes. We found that Bay View did not get any easier and we had to work hard to keep up our grades. However, to compensate for our trying moments, we had the enjoyment of going to see "Be, Book and Candle" and "Anything Goes."

At last we were upperclassmen! But, as we approached our third year, our young jumbled thoughts turned to our futures. What does the future have in store for us? Something must be done, but what? Our ever present homeroom teacher stood behind us and we knew there was somebody to depend on. Our interests were formed too, and we worked to keep our grades up because many of us are college bound. Fun again came with both of Bay View's productions "Auntie Mame" and "Finian's Rainbow."

Highlighting our memorable four years was our Senior year, our last year. During this year we went through the now familiar yearly routine, but it was different. We were doing everything for the last time. Never again will we be able to attend a football or basketball game as a member of the student body, we will be alumni. Remember how we used to look up to the officers of clubs, of S. G. A. and those who were editors of publications. Now we are those people who have the various responsibilities around the school. Looking back we can't let "Dear Ruth" or "Call Me Madam" take a back seat.

The year is now at a close and we will be leaving Bay View to go on to new experiences, hoping that we have helped to maintain the standards that our school has had in the past. We have done our jobs and are ready to step into a new world — a world of bewilderment once again, however, we will be more prepared to face it, thanks to our four years at Bay View High School.

We would now like to say "Thank you" to Mr. Showers, Mr. Williams, Mr. Wiley, Miss Statz, Mr. Wilkinson, and all of the teachers who have opened the many doors of knowledge and opportunity to us.

HE'S GETTING AN \$18,000 GRADUATION GIFT

Try the toughest way in life so far
and you won't regret it. That's the
way it is for a young man who has
been to university. American industry
has a gift ready for him too. A
big gift worth about \$18,000 a year.

Sound impossible money? Not
\$18,000. The average college graduate
just now is getting industry money. It's
the start of a long list of financial goods.

He gets books and equipment.
And industry pays for these things.
But even more money can be made.

Where does the money come from?
You find these new jobs. And a lot of
the money goes to the business itself.
For example, from profit put in the
company. Other money comes from share-
holders who invest the money with the

hope of making a profit. And part
of the money is for a new job. And part
is for a profit.

So people who work for a company
at the moment they need the money
to do their work. They get a person
who can do a better job. And
they get the money that will be used
on graduation day.

DIAMONDS? No, even more valuable. They're pellets of high-grade iron ore, produced with the help of A-C equipment, from taconite — once considered unfit for mining. Tomorrow . . . direct reduction of ore to pellets at the mine? Very possible.

A NEW POWER SOURCE on which Allis-Chalmers researchers are working, the fuel cell, may well be used to deliver efficient power to vehicles of the future.

PLASMA PHYSICS, research into the mysteries of nuclear fusion requiring temperatures of 100,000,000 degrees, may develop new ways of generating electricity for you in the future.

...AND TOMORROW ? ... STILL ANOTHER CHALLENGE!

From this new challenge may well come the products and processes needed to protect and prosper the Free Peoples of the world.

Saving is a bee's life business. He tucks it away with a single-minded purpose we'd all like to copy. Here, we've made it as easy as can be for you to be a bee. You can bring it in or mail it in. Or use our easy-does-it Automatic Savings Plan. What's more, we'll sweeten your savings regularly, with a honey of an interest rate. Like Dad used to say, saving at the First Wisconsin is the bee's knees!

To my dear friends
Ever your affectionate friend
John G. Thompson

Tom,
 We've had fun
 this semester in
 Ballroom dance
 hope you did. Remem-
 ber to keep your chin up
 while dancing the Cha Cha.
 Best wishes!
 Julia Kuslinski

Tom,
 To bad the only
 class we had
 together was
 dancing! Hope
 to see more of you
 next semester! Have
 fun this summer!
 Kathy Simos

To our
 star band m-
 in dance class
 (he tries to run the
 second player)
 Good Luck
 to
 Josh Dahn

Tom
 To a swell guy
 who is also ok. Have
 a good summer.
 Good luck in all you
 do.
 Sue Simons

Tom
 A real swell guy
 who I think worked
 harder than me in
 Geometry II. Take it easy
 this summer and don't
 work too hard.
 John Brunner

Tom
 A great kid
 in Geometry
 Good luck
 and have fun
 at Sikora

Tom
So a
real sharp
guy who sits
next to me in
history. I hope
your my parents
in rhythms.
Christy

To Tom a kid who will
always take good
pictures! Best of luck
this summer and
Bay View

Walter Ceynowa

Tom
an "A" student
in a "D" class
good luck in the
future

Vin Prentice

Tom
A real nice
who was a big
when I first came
here. Thanks for every-
thing and stay as nice
as you are. Best of
luck + I'll see you next
fall.
Pat
Hutter

To Tom
I'm sure
being in good
with you.
Best wishes
Joe Diemach
